

EXPORT COLLECTION 2023

We, as TPT Furniture, are a team consisting of 18 years of furniture production, 12 years of export history and dynamic youth, to combine the most modern with the most classic. As you read this article, we will be working to serve you for the best service. Our main target is to create a long term and successful business relationship with our clients. That's why, we want to use our strength from the past for future. So just text us from whatsapp & e-mail to start collaboration.
